Consultations

Standard Consultation (30 mins)	A general check-in to review your oral health, talk through any concerns, and plan your next steps with your dentist.	**$65***
Dental Examination	A thorough clinical check of your teeth, gums and mouth to catch any issues early and keep your oral health on track.	**$65***
X-rays (per X-ray)	Digital imaging that shows what's happening beneath the surface, helping your dentist assess areas a standard check can't reach.	**$49***
Cosmetic Consultation	A dedicated appointment including scans, photos, and x-rays. We will discuss your treatment options and assess your suitability.	**$250*** **(normally $360)**

New Patient Consultation

Your first appointment includes everything you need to start strong:

- Dental Examination
- X-rays^

WHAT YOU'LL GET:

A complete first visit that gives your dentist a clear, evidence-based picture of your oral health from day one. It includes a full dental examination and x-rays, forming the foundation for any treatment planning ahead.

$165*

Comprehensive Patient Examination

Your first appointment includes everything you need to start strong:

- Dental Examination
- X-rays^
- Scale and Clean

$360*

WHAT YOU'LL GET:

A complete first visit covering every foundational step. Alongside a full examination of your teeth, jaw, TMJ, and airway, you'll receive intraoral radiographs, providing a clear view of your dental health profile. Also included is an oral cancer screening, professional teeth cleaning (if appropriate), and oral hygiene advice, giving you a clear and documented plan for your oral health.

TERMS AND CONDITIONS

^Terms and conditions: X-rays included if required. Limited to one consultation per patient. This offer is subject to change at any time.

If extensive cleaning is required then further costs will be discussed and applied.

*Please only use this information as a guide. Final fee may vary depending on the complexity of your individual case. A detailed examination and assessment with one of our clinicians at your initial consultation will be required to provide an accurate quote tailored to your needs..
